MAINE, AND FOR OTHER PURPOSES**

JULY 17, 2014.—Committed to the Committee of the Whole House on the State of the Union and ordered to be printed

Mr. HASTINGS of Washington, from the Committee on Natural Resources, submitted the following

REPORT

[To accompany H.R. 4527]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 4527) to remove a use restriction on land formerly a part of Acadia National Park that was transferred to the town of Tremont, Maine, and for other purposes, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL.

The purpose of H.R. 4527 is to remove a use restriction on land formerly a part of Acadia National Park that was transferred to the town of Tremont, Maine.

BACKGROUND AND NEED FOR LEGISLATION

Public Law 81-629, enacted in 1950, permitted the National Park Service to convey property, formerly part of Acadia National Park, to the town of Tremont, Maine, to build a new school. In 1951, the Secretary of the Interior completed the conveyance of approximately 8.45 acres with a clause specifying the land would revert back to the United States of America if it was not used exclusively for school purposes.

The town is now consolidating schools with a nearby town and the property will no longer be used for the originally intended purpose. Tremont would like to retain ownership and continue to use the developed property in the best interest of the community.

H.R. 4527 removes the requirement that the land be used exclusively and perpetually for school purposes, allowing Tremont to use the property to the maximum benefit of its residents. The Natural

Resources Committee has consistently sought to assist local communities gain control of property within their boundaries by freeing them from federal interference. Communities around the country would benefit significantly and immediately if the example of H.R. 4527 is replicated.

COMMITTEE ACTION

H.R. 4527 was introduced on April 30, 2014, by Congressman Michael H. Michaud (D-ME). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Public Lands and Environmental Regulation. On June 10, 2014, the Subcommittee held a hearing on the bill. On June 19, 2014, the Natural Resources Committee met to consider the bill. The Subcommittee on Public Lands and Environmental Regulation was discharged by unanimous consent. The bill was adopted and ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 4527—A bill to remove a use restriction on land formerly a part of Acadia National Park that was transferred to the town of Tremont, Maine, and for other purposes

H.R. 4527 would authorize additional uses of land that was conveyed to the town of Tremont, Maine, by the National Park Service (NPS) in 1951. As a condition of the original conveyance, the lands could be used only for school purposes. H.R. 4527 would remove the use restriction. Based on information provided by NPS, CBO estimates that implementing the legislation would have no effect on the federal budget. Enacting the legislation would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 4527 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Martin von Gnechten. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures. CBO estimates that implementing the legislation would have no effect on the federal budget.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to remove a use restriction on land formerly a part of Acadia National Park that was transferred to the town of Tremont, Maine.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104-4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. The Chairman does not believe that this bill directs any executive branch official to conduct any specific rule-making proceedings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95-220, as amended by Public Law 98-169) as relating to other programs.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (new matter is printed in italic and existing law in which no change is proposed is shown in roman):

ACT OF AUGUST 1, 1950
